# BOARD OF TRADE.

# The Meeting Last Night Showed ar **Encouraging Future.**

Business men are generally the prope-index to trade life, and from their view one gains an excellent insight into the commercial life of a community. Using the expressions as a barometer, condi-tions among us are normal and the pressure shows only a rise to more activity, the mean height of which will be reached when customers from far and near realize that business in Maysville is healthy, strong and clear, offering in ducements for traders which once con vinced will make them appreciative for all time.

# STRUCK IT BIG.

# Not Oil, But a Very Strong Vein of

After the Ruggles Campmeeting closed this year, the Board of Directors, who are always looking to the comfort of those who attend, decided to dig another well in order that the water supply would be abundant for the ever increasing attendance. The forked peach tree limb was brought into uses, and sure enough 'I to the word of the company of the comp

Conference at Jeddo.

The meeting Wednesday afternoon
at Jeddo of the employs of G. B.
Markle & Co., who operate the Jeddo,
Eberdale, Highland and Oskale colleiries, proved to be probably the
most remarkable gathering of its
kind ever held in the anthraci'c rezions.

gions.

It was expected to be a heart to heart talk between John Markle, managing partner of the firm, and his employes, now numbering 2,500, but it developed into a joint debate in which Mr. Markle, President Mitchell, Rev. Father Phillips and National: Committeeman Benjamin James took part. It began in a dignified manner, but gradually degenerated into impassioned argument, and wound up very close to personalities.

Arbitration Suggested.

impassioned sequents, and up very close to personalities.

John Markita and the company stool ready to arbitrate any differences with the men and proposed that the company select one arbitrator and the men choose one. If these two failed to agree they could invite a third one to join them. He also said-that he would abide by the decision of the arbitrators no matter what the award might be.

Mr. Mitchell then arose, and standing beside Mr. Markle, told the crowd that the United Sine Workers' would not accept arbitration on that basis. It must be the whole region and not a part of it.

# A CLASH AVERTED.

Harrisburg, Pa., Sept. 30.—The expected clash between the union and nounion miners in the Lykens valley region was averted by the strikers at Lykens abandoning their proposed march to Williamstown Wednesday might to attempt to force the miners there to quit work. The feeling between the country of the strikers were induced Wednesday artifers in the botter that the strike leaders were induced Wednesday artifers of Lykens to persuade their followers not to invade the territory of the nonstrikers. Seven hundred strikers as made to resume work at any of the monerativers. Seven hundred strikers leaders were induced wednesday and the proposed to the collective wednesday. The men employed by the West nonstrikers. Seven hundred strikers in the collective wednesday. The men employed by the West nonstrikers. Seven hundred strikers in the collective wednesday. The men employed by the West nonstrikers. Seven hundred strikers in the proposed of the proposed by the west of the collective wednesday. The men employed by the West nonstrikers were made characteristical attempts to get them to the proposed of the propos

is now recognized that they will be the first to suffer if a coal famin should set in.

ment in That District.

Shumokin, Pa., Sept. 20.—The most important development of the coal miners' strike which has occurred since its ineeption was the effort made Wednesday by a committee of miners employed at the Natalle collecty, Mt. the operators who control that mine—all New York capitalists—to secure a settlement. They came here Wednesday afternoon to consult with several leading mine officials. They said that the operators they represented are willing to adjust the principal grievances embodied in the demants are anxious to get their proposition to National President Mitchell. It is believed that if they can effect their object, the other operators will follow in the same line.

# IN WYOMING VALLEY.

The Strikers Keep Away From Works, and There Is No Dis-order of Any Kind.

now said that an effort will be made to reach men through their wives and daughters.

"Mother" Jones, the labor advocate, will probably be sent to the mining village to persuade the women that it is their duty to urge their husbands and brothers to join the strikers.

Sent the sent to the desire the sent to the mining village to persuade the women that it is their duty to urge their husbands and brothers to join the strikers.

The companies asid Welnesday that the owners of the Moenanqua valley colliery are getting well paid now for the turkeys they gave their employes last Christmas. The company is mining a great deal of coal and they have inquiries from many places at fancy figures.

BANK ROBBERS.

## BANK ROBBERS.
